

June 29, 2026

To the Board of Directors
Minnesota Comprehensive Health Association
St. Louis Park, Minnesota

We have audited the financial statements of Minnesota Comprehensive Health Association (MCHA) as of and for the year ended December 31, 2025, and have issued our report thereon dated June 29, 2026. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit under Generally Accepted Auditing Standards and *Government Auditing Standards* and our Compliance Audit under the Uniform Guidance

As communicated in our letter dated February 12, 2026, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and to express an opinion on whether MCHA complied with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the MCHA's major federal programs. Our audit of the financial statements and major program compliance does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of MCHA solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

Our responsibility, as prescribed by professional standards as it relates to the audit of MCHA's major federal program compliance, is to express an opinion on the compliance for each of MCHA's major federal programs based on our audit of the types of compliance requirements referred to above. An audit of major program compliance includes consideration of internal control over compliance with the types of compliance requirements referred to above as a basis for designing audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, as a part of our major program compliance audit, we considered internal control over compliance for these purposes and not to provide any assurance on the effectiveness of the MCHA's internal control over compliance.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding internal controls during our audit in our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* dated June 29, 2026. We have also provided our comments regarding compliance with the types of compliance requirements referred to above and internal controls over compliance during our audit in our Independent Auditor's Report on Compliance with Each Major Federal Program and Report on Internal Control Over Compliance Required by the Uniform Guidance dated June 29, 2026.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and other firms utilized in the engagement, if applicable, have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. The significant accounting policies used by MCHA are described in Note 1 to the financial statements. As discussed in Note 1 to the financial statements, MCHA has changed accounting policies related to the presentation of certain items in the basic financial statements and required supplementary information (RSI) to adopt the provisions of Governmental Accounting Standards Board (GASB) Statement No. 103, *Financial Reporting Model Improvements*. Accordingly, the accounting change has been retrospectively applied to the financial statements beginning January 1, 2025. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The estimated reinsurance payments are derived by actuarial estimates throughout the year and finalized upon final data submission from participants eligible under the reinsurance program of the Minnesota Premium Security Plan. We evaluated the key factors and assumptions to develop the estimates and subsequent event development to determine the reported amount is reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting MCHA's financial statements relate to the function as an administrator for the Minnesota Premium Security Plan in Note 1, and grant revenue and expenditures in Note 3. The financial statement disclosures are neutral, consistent and clear.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit. There were no uncorrected or corrected misstatements identified as a result of our audit procedures.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditor's Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report. We did not identify any circumstances that affect the form and content of the auditor's report.

Representations Requested from Management

We have requested certain written representations from management which are included in the management representation letter dated June 29, 2026.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with MCHA, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, operating conditions affecting the entity, and operating plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as MCHA's auditors.

This report is intended solely for the information and use of the Board of Directors, the State of Minnesota and management of MCHA and is not intended to be, and should not be, used by anyone other than these specified parties.
